

Curriculum activity risk assessment

Jumping Events – High Jump, Fosbury Flop

clever • skilled • creative

Activity scope

This document relates to student participation in training and competitions for Fosbury Flop, High Jump as a curriculum activity.

Fosbury flop high jump is unsuitable for class groups. Only students aged 10 and over may be engaged in Fosbury flop high jump. Students who show promise in lead up activities may be chosen for development in small, specialised groups.

Risk Level

The actual risk level will vary according to the specific circumstances of the activity and these **must** be considered when assessing the inherent risk level and planning the activity. As a starting point, ask the following questions:

- Which students will be involved?
- Where will the students be?
- What will the students be doing?
- Who will be leading the activity?
- What will the students be using?

Inherent risk level		Action required / approval
<input checked="" type="checkbox"/>	High	Likely chance of a serious incident and injury requiring medical treatment <ul style="list-style-type: none"> <input checked="" type="checkbox"/> A Curriculum Activity Risk Assessment must be completed. <input checked="" type="checkbox"/> Principal or delegated Deputy Principal or Head of Program (i.e. HOD, HOSES, HOC) to review and approve risk assessment. <input checked="" type="checkbox"/> Obtaining parental permission is recommended. <input checked="" type="checkbox"/> Once approved, activity details are to be entered into the <i>School Curriculum Activity Register</i>.

Listed below are the minimum recommendations for this type of activity. For any items ticked 'No', provide further information regarding the additional or alternate controls to be implemented for the safe conduct of the activity.

Minimum supervision

Adequate adult supervision is to be provided. In determining what is adequate, consider the number of students, their individual needs, and the nature of the activity. If an adult other than a registered teacher is engaged for instruction, a teacher should be present to take overall responsibility. Blue Card requirements **must** be adhered to.

- Registered teacher with minimum qualifications as outlined below
OR
 An adult with minimum qualifications as outlined below, in the presence of a registered teacher

Further information:

Local Athletics Clubs provide Officials who work with a registered teacher.

Minimum qualifications

The qualifications listed in this section are minimums for each type of situation. Leaders are encouraged to seek training to raise their qualification level above the minimum listed.

- Current first aid qualifications including Cardio Pulmonary Resuscitation (CPR) or ready access to first aid facilities, including qualified personnel.
 Blue Card requirements met

High — Likely chance of a serious incident and injury requiring medical treatment

For a registered teacher:

- Level One accreditation from the Australian Track and Field Coaches Association
OR
 Get Active Queensland Athletics Coaching – Part B

For a leader other than a registered teacher:

- Get Active Queensland Athletics Coaching – Part B
OR
 Level One accreditation from the Australian Track and Field Coaches Association

Further information:

Qualified Physical Education teachers with competence supervised by a Registered Teacher meeting the above requirements.
