## Jumping Events – Long and Triple Jump

clever • skilled • creative

### Activity scope

This document relates to student participation in training and competition of Long and Triple Jump as a curriculum activity.

### Risk level

The actual risk level will vary according to the specific circumstances of the activity and these must be considered when assessing the inherent risk level and planning the activity. As a starting point ask the following questions:

- Which students will be involved?
- Where will the students be?
- What will the students be doing?
- Who will be leading the activity?
- What will the students be using?
